

## Call for Contributions

### XV International Symposium on Radiation from Relativistic Electrons in Periodic Structures – "RREPS-25"

September 15-19, 2025, Shanghai, China

#### ORGANISED BY

Chinese Laser Press, No. 390, Qinghe Road, Jiading District, Shanghai (201800)

#### INTERNATIONAL ORGANIZING COMMITTEE

Honorary Chair: Ruxin Li

Executive Chair: Baifei Shen

Co-chairs: Pavel Karataev, Alexander Potylitsyn, Tongpu Yu

Members: A. Bogdanov, A. Gogolev, L. Hu, L. Ji, L. Puzyrevich, M. Shevelev, X. Zhang, D. Zou

#### INTERNATIONAL PROGRAMME COMMITTEE

X. Artru, A. Aryshev, S. Dabagov, H. Deng, P. Karataev, V. Kocharyan, G. Kube, M. Kuriki,  
S. Mazzoni, A. Potylitsyn, B. Shen, T. Yu

#### SYMPOSIUM TOPICS

- General radiation properties from relativistic particles
- Transition Radiation, Diffraction Radiation, Cherenkov radiation, and Smith Purcell Effect
- Parametric X-ray radiation (PXR)
- Compton Scattering and its Applications
- Coherent bremsstrahlung and channeling
- Crystal-assisted processes
- Laser-driven particle accelerators and radiation sources
- Applications of monochromatic X/r-ray and Terahertz beams produced at electron accelerators

**SYMPOSIUM LANGUAGE:** English

#### Important dates:

<b>Registration opens:</b>	<b>April 1, 2025</b>
<b>Abstracts submission deadline:</b>	<b>June, 30</b>
<b>Request for student support grant by:</b>	<b>June, 30</b>
